About

Lindsay Ellis is a leadership and culture speaker, author, and marketing executive with more than two decades of experience leading teams, mentoring managers, and helping organizations improve communication, accountability, and performance. As the author of *Beyond The Ordinary Leader: The No-Suck Leadership Manifesto*, Lindsay brings a practical, no-fluff approach to leadership development — helping companies build better managers, stronger cultures, and teams that actually want to stay.

What Leaders Say About Lindsay

“Lindsay has taught me so much about what it takes to be a good leader. She empowers and inspires her employees to excel & thrive in their positions. I am so grateful for all that she has taught me.”

-Jessica Bargaquast, Marketing Manager

“Lindsay has a great leadership balance being both assertive and empathetic. She leads by example and cultivates extreme loyalty within her team. Her leadership abilities are top-notch.”

-Sean McGraw, CEO

SUGGESTED TOPICS

The No-Suck Leadership Mindset: Leadership is not about titles or control — it is about trust, accountability, communication, and growth. This session helps leaders recognize the habits that damage culture and replace them with practical leadership behaviors that strengthen teams.

Beyond Burnout: Burned-out leaders create burned-out teams. This session explores the connection between self-awareness, communication, leadership effectiveness, and team culture — helping leaders lead with more clarity, energy, and intention.

From Manager to Leader: A session for new and emerging managers on communication, confidence, delegation, feedback, and leading people.

The Legacy You Leave As A Leader: Every leader leaves a legacy through the people they develop and the culture they create. This session encourages leaders to think beyond short-term results and focus on the long-term impact of how they lead.

Driving Organizational Success: Learn how prioritizing people, culture, and growth leads to organizational success, and understand the significance of authentic leadership in achieving collective goals.

Best For: Leadership Retreats | Manager Training | HR & Culture Events | Company Offsites | Business Conferences | Team Development
